NOTE FOR: THE RECORD

SUBJECT: Congressional Research Service Briefing

1. On Friday, 19 December at 9:30., Marcia Smith from the Congressional Research Service received a briefing from

Smith has been out to the Agency previously for periodic updates from OSWR.

2. At the end of the briefing Smith asked if the material briefed to her today could be given at the Top Secret level. She would like to bring a Congressional staffer (name not given) out here for the same briefing to dispel some of his ideas on Soviet capabilities which he has after receiving an Air Force briefing. The briefers said they could give basically the same briefing--just not go into as much detail. asked Smith if she knew who the Air Force briefer was. Smith forgot to bring the name with her but will call it over to me for relaying to

3. The briefing lasted an hour and a half. All three participants are clearly knowledgeable of Soviet weaponry and enjoy the give and take.
